

LOBOSM

ADJUSTABLE DECK PEDESTALS

SMARTER DECKING for Any APPLICATION

LOBOSM ADJUSTABLE PEDESTALS

- Simple-to-use - extended height-range pedestal
- Commercial-grade - built for long-lasting durability
- Each center-loaded pedestal supports 1,000 pounds
- Quick-and-easy installation — reduces labor costs
- Spin-to-adjust pedestals create perfectly level decks
- Resistent to water, mold, and freeze/thaw cycles
- Adjustable slope compensation up to 1/2" per ft.

- Supports 1,000 lbs FoS:3 per pedestal
- Select 1/8 or 3/16 inch tab size for pedestals
- System height range is 3/4 to 62 inches*
- Pedestals made of high density copolymer polypropylene
- Contains 20% post-industrial recycled material
